

The Nesika News

Picture Day

Individual picture day is October 6th. Steeve Caron from Right Photography will be here in the morning taking photos. Students will receive ordering information when proofs are sent home.

Parent/Caregiver Learning Conferences

Schools across the district will be dismissing one-hour early October 27th and 28th to allow time for teachers to meet with families for brief learning conferences. These conferences are a great way to learn about what is happening in your child's classroom and to quickly check-in with teachers. Conference times are brief so parents/caregivers wanting more in-depth conferences are asked to set up a separate meeting with the classroom teacher. Please watch in your child's planner for scheduling information.

A reminder that we do not have microwaves for student use. Please do not send lunch items that need to be warmed up.

Student of the Week

This year we are working on honouring students who demonstrate the characteristics of the 7 Sacred Teachings. Each month we will have a different focus and students will be chosen based on their work in that area. October is the month of Truth: to walk in truth means to be honest with ourselves and with others. It means doing what is right, even when no one is watching, and standing up for what is fair.

Permission Forms

Throughout the year students will be coming home with various permission forms for events and field trips. Signed consent is required for all field trips – students will not be permitted to phone home for permission. Forms must be signed by the parent/legal guardian.

School Supply Fees

A reminder to send in school supply money if you haven't already done so. Fees are \$45 and can be sent as cash to the office or by e-transfer to: NES.finance@sd27.bc.ca
