Nesika Goes to the Mustangs Game

On January 13 our grade 5/6 classes were invited to attend the Mustangs Hockey Game. A crowd of over 1100 students from across the entire school district excitedly cheered our home team to a win!! One of our very own students, Shepard Murphy-Lulua, was also the winner of tickets to a future game.

Communication Guidelines

Connecting with families is an important part of the work we do here at the school. Teachers are consistently connecting with families via classroom newsletters, agendas, emails, and phone calls. Parents/Caregivers are asked to connect with teachers directly if they have questions or concerns. Teachers can not answer phone calls during the school day but will respond to emails to set up a time to talk. Check out the School District [Communications Protocol](#) for more information.

Code of Conduct Highlight

Personal digital devices such as cell phones and tablets, although important, are not to be accessed or used during school times. Students who bring these devices to school are required to keep them secure and on silent mode while on school property. Students are not permitted to leave the classroom with their devices. Teachers will provide a safe and secure space in their classrooms to store devices during class time.

Drop Off/Pick Up Area

A reminder to please park in the main school parking lot, or along Moon Avenue if you are planning on exiting your vehicle. **Do not park your vehicles in the loop.**
